Short Description
Red Dragon Rapier Gloves - great for light drilling and sparring with sword and lightsaber.

Description
Our Red Dragon Rapier Gloves (from Knight Shop) are designed to protect against the blisters, scrapes and abrasions that are associated with drilling with a sword or lightsaber. They are lightly padded to absorb light impact whilst training but are not designed for full contact sparring and should not be worn for this purpose. These padded leather gloves offer both comfort and control and are available in 4 sizes.

Measurements are taken from wrist to top of middle finger.

Small: 16-17cm
Medium: 18-19cm
Large: 20-21cm
X Large: 22-23cm
